Nuvoco's Health Safety and Environment month 2019 closing ceremony at Jojobera Cement Plant

Jamshedpur, March 15, 2019: Nuvoco's Jojobera Cement Plant (JCP) organised the closing ceremony of Health Safety and Environment (HSE) Month 2019. The theme for this year's HSE Month "Engage and Organize Workplace through 5S" highlighted the importance of organised workplace so that work can be performed efficiently, effectively and safely. This system focuses on putting everything where it belongs and keeping the workplace clean, which makes it easier for people to do their jobs without wasting time or risking injury. 5S is the workplace organisation method that uses a list of five Japanese words: Seiri (Sort), Seiton (Set In order), Seisō (Shine), Seiketsu (Standardize), and Shitsuke (Sustain).

The programme was inaugurated by Mr. B A Kumar, Deputy Chief Factory Inspector, Mr. Vinit Kumar Singh, Factory Inspector, Mr. Manoj Agrawal – Senior Vice President – JCP, Mr. Amit Padiha - SVP Project , Vinay Dubey DGM HR , Jeetendra Kumar Jain AVP Operation and Shrikant Singh ,Head Safety along with senior officers, employees and family members were present on the occasion.

During the month a blood donation camp was organised by JCP team and supported by Indian Red Cross Society, Jamshedpur. The camp saw a collection of 226 units of blood.

Besides the blood donation camp, poster competition, quiz competition, awareness programme on 5S in plant and in schools for children, street play and various other safety awareness programmes were organized and prizes were distributed to the winners of the different competition.

In his address Mr Manoj Agrawal, Senior Vice President – Jojobera Cement Plant said, "Health Safety and Environment is the core value at Nuvoco and there is no shortcut to it. This year's HSE month theme was Engage and Organize Workplace through 5S and the objective was to reduce waste and increase efficiency, thereby reducing production costs while increasing productivity, safety, and employee satisfaction. All the activities conducted during the month focused on this aspect and we will strive to maintain 5S going forward as well." Addressing the gathering, Mr B A Kumar, Deputy Chief Factory Inspector also appreciated the efforts taken by Nuvoco in implementing 5S across the company.

About Nuvoco

Nuvoco Vistas Corp. Ltd. is a leading manufacturer and retailer of building materials with a vision to build a safer, smarter and more sustainable world. The company started operations in India in 1999 via acquisitions; and it has since emerged as one of the major players in India. Today it has an installed capacity of around 10.92 MTPA with six cement plants in Chhattisgarh, Haryana, Jharkhand, Rajasthan and West Bengal; and a pan-India presence in the ready-mix concrete (RMX) business with around 70 plants across the country. Our aggregates business is based out of Kotputli with a capacity of 240 tonnes per hour. In Cement we are amongst one of the leading players in Eastern, Central and North India; with high performance, premium blended cement variants, which include Duraguard, Duraguard Microfiber, PSC, Concreto, and Infracem. We also offer value added products like construction chemicals, wall fill solutions and cover blocks. Our RMX range; comprising specialised products like Agile, Artiste, XLite, InstaMix, and Robuste; is trusted alike by large developers, small contractors, builders, architects, government agencies, and individual house builders. We are proud contributors to landmark projects like Lodha World One, the Metros [Delhi, Jaipur and Mumbai]. Guided by the enduring principles of safety for its employees and social responsibility for the community, the company is charting new roads in providing solutions to meet the country's infrastructure needs.
