Nuvoco's Mejia Cement Plant once again wins CII National Award for 'Energy Efficient Unit'

September 6, 2018, Durgapur: Nuvoco's Mejia Cement Plant (MCP) was awarded for the second time after 2016 at the 19th National Award for Excellence in Energy Management 2018 organized by Confederation of Indian Industries (CII) in Hyderabad. MCP was recognized for its outstanding contribution in the area of energy efficiency and sharing information on best practices and technologies among 148 companies from varying sectors like Power, Pulp and Paper, Buildings, Banks, and Cement.

The award for 'Energy Efficient Unit' was received by Mr. Amit Pidiha from Mr. Ajay Mishra, Special Secretary Power, Government of Telangana state and Mr. Pankaj Kumar, Secretary, Bureau of Energy Efficiency amidst the presence of other dignitaries and participants.

Speaking on the occasion Mr. Amit Pidiha, Vice President, MCP said, "This is a proud moment for all of us at Nuvoco. This recognition represents the industry's acknowledgment of our efforts and we will continue to pursue such initiatives in order to keep our operations at their efficient best. I would also like to thank the CII for providing a great forum and an opportunity to learn from other industries, which will help companies go a long way in fostering awareness in the area of energy efficiency."

About Nuvoco

Nuvoco Vistas Corp. Ltd. (formerly Lafarge India Limited), is a leading manufacturer and retailer of building materials with a vision to build a safer, smarter and more sustainable world. The company started operations in India in 1999 via acquisitions; and it has since emerged as one of the major players in India. Today it has an installed capacity of around 10.92 MTPA with six cement plants in Chhattisgarh, Haryana, Jharkhand, Rajasthan and West Bengal; and a pan-India presence in the ready-mix concrete (RMX) business with around 70 plants across the country. Our aggregates business is based out of Kotputli with a capacity of 240 tonnes per hour. In Cement we are amongst one of the leading players in Eastern, Central and North India; with high performance, premium blended cement variants, which include Duraguard, Duraguard Microfiber, PSC, Concreto, and Infracem. We also offer value added products like construction chemicals, wall fill solutions and cover blocks. Our RMX range; comprising specialised products like Agile, Artiste, XLite, InstaMix, and Robuste; is trusted alike by large developers, small contractors, builders, architects, government agencies, and individual house builders. We are proud contributors to landmark projects like Lodha World One, the Metros [Delhi, Jaipur and Mumbai]. Guided by the enduring principles of safety for its employees and social responsibility for the community, the company is charting new roads in providing solutions to meet the country's infrastructure needs.
