Nuvoco's Sonadih Cement Plant, creates record in blood donation

Baloda Bazaar, March 12, 2019: Nuvoco's Sonadih Cement Plant (SCP) created record by donating 642 units of blood, at a single venue, on a single day in the entire Chattisgarh state. The blood donation camp was organized in association with the Indian Red Cross Society, Raipur. Employees; including contractual workers, truck drivers, colony ladies, people from nearby villages voluntarily participated in the programme and made it a grand success.

The camp was inaugurated by Mr Ramesh Warke, Senior Vice President – SCP in presence of Mr Uma Suryam, Operations Head, Mr. Kiran Sharma, Cluster Head – P&A, Mr. Manak Chand Verma, Union General Secretary, Mr. Ashish Pandey, Union Vice President, Sarpanch and Panch from nearby villages along with other Nuvoco officials. Around 25 students from nearby Polytechnic College also donated blood.

Speaking on the occasion, Mr. Warke expressed, "Requirement of safe blood is continually on the rise due to the number of emergencies occurring everyday, making regular voluntary blood donations vital for blood transfusion services. Blood donation is definitely a noble act. Many clinics and hospitals constantly require blood for several purposes. This makes the idea of blood donation a noble gesture as it provides life-saving help to people and patients. At Nuvoco, we do our bit by turning our beliefs into action and encouraging others to do the same. We believe that by donating; we have a chance to give another person a chance at a healthy life."

At the end Mr. Kiran Sharma, Cluster Head – P&A delivered vote of thanks to all the participants for their active contribution in making the occasion memorable one and memento was given to the Medical Staff of Indian Red Cross Society, Raipur.

About Nuvoco

Nuvoco Vistas Corp. Ltd. is a leading manufacturer and retailer of building materials with a vision to build a safer, smarter and more sustainable world. The company started operations in India in 1999 via acquisitions; and it has since emerged as one of the major players in India. Today it has an installed capacity of around 10.92 MTPA with six cement plants in Chhattisgarh, Haryana, Jharkhand, Rajasthan and West Bengal; and a pan-India presence in the ready-mix concrete (RMX) business with around 70 plants across the country. Our aggregates business is based out of Kotputli with a capacity of 240 tonnes per hour. In Cement we are amongst one of the leading players in Eastern, Central and North India; with high performance, premium blended cement variants, which include Duraguard, Duraguard Microfiber, PSC, Concreto, and Infracem. We also offer value added products like construction chemicals, wall fill solutions and cover blocks. Our RMX range; comprising specialised products like Agile, Artiste, XLite, InstaMix, and Robuste; is trusted alike by large developers, small contractors, builders, architects, government agencies, and individual house builders. We are proud contributors to landmark projects like Lodha World One, the Metros [Delhi, Jaipur and Mumbai]. Guided by the enduring principles of safety for its employees and social responsibility for the community, the company is charting new roads in providing solutions to meet the country's infrastructure needs.
