CONCRETO[®] green CEMENT

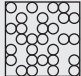

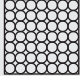

Up to 70% stronger*

Up to 25% water-saving

Nuvoco's path-breaking innovation has developed a product which makes it the ideal choice for your construction.

Concrete Green cement not only makes your house stronger than ordinary cement but also consumes less water, thus addressing the issue of water-scarcity in the country. Now build your dream home with the same strong foundation, while saving water as well.

How is Concrete Green cement better than normal cements?

	Normal Cement	Concrete Green
Concrete Strength*	 Normal concrete**	 Upto 70% higher than normal concrete
Water Consumption		 Upto 25% lesser than normal
Construction Cycle Time	 Normal	 Much faster
Concrete Density	 Normal density	 Higher density
Freshness	 Normal freshness	 Best freshness
